---

## EDUCATION

---

### **HARVARD UNIVERSITY, Cambridge, MA**

*Data Science graduate courses, 2018-2019.*

### **GEORGETOWN UNIVERSITY, Washington, D.C.**

*Cybersecurity Strategy Management Graduate Certificate, 2015.*

### **THE GEORGE WASHINGTON UNIVERSITY SCHOOL OF LAW, Washington, D.C.**

- *Fellow, Center for Law, Economics, and Finance, 2010-2011.*
- *Visiting Scholar, International and Comparative Law Program, 2010.*
- *Juris Doctor, 2001.*

### **UNIVERSITY OF HOUSTON**

*Master of Business Administration*

### **OKLAHOMA STATE UNIVERSITY SYSTEM – EAST CENTRAL**

*Bachelor of Science, Medical Technology*

---

## PROFESSIONAL EXPERIENCE

---

### **UNIVERSITY OF HAWAII AT MĀNOA WILLIAM S. RICHARDSON SCHOOL OF LAW, Honolulu, HI**

*Assistant Professor of Law, August 2022-Present*

*Lecturer in Law, May-July 2022*

*Courses:* Artificial Intelligence and Social Justice, which I created in 2019 as the first law school course of its kind in the United States. This 3-hour doctrinal and interdisciplinary course focuses on automated decision systems, public-private uses, legislation, the rule of law, civil rights, and consumer protection. Intellectual Property Law. Real Property I. Upper-level scholarly writing courses, and students' independent research studies in law and technology.

*Tech Law Talks:* Convened weekly sessions starting Fall 2022 for the Law School community and parties from other disciplines from across the University and otherwise to promote learning, competency, and discourse about technology and innovation law and policy topics. Spring 2023 topics included facial recognition, ChatGPT and generative AI, medical wearable technologies, intellectual property strategy, and space debris retrieval.

## **EMILE LOZA DE SILES**

eloza@hawaii.edu

---

### **TECHNOLOGY LAW CONSULTING, Honolulu, Hawai'i & virtual.**

*Principal, 2023-Present*

Special consultant to the American Judicature Society for national study of artificial intelligence and its impacts upon courts and the judicial decision-making, 2024-present.

### **UNIVERSITY OF MARYLAND GLOBAL CAMPUS, Washington, D.C. area**

*Associate Professor (Adjunct), The Graduate School, 2017-2024*

Courses: Communicating, Problem Solving, and Leading in Cybersecurity (6-credit core course for all six cybersecurity graduate programs). Cohorts taught including from the national intelligence community, Army Cyber Command and other U.S. service branches, and government agencies.

### **HOWARD UNIVERSITY SCHOOL OF LAW, WASHINGTON, D.C.**

*Visiting Assistant Professor of Law, Spring 2022*

Course: Property.

### **DUQUESNE UNIVERSITY SCHOOL OF LAW, Pittsburgh, PA**

*Assistant Professor of Law, 2019-2022*

Courses: Artificial Intelligence and Social Justice; Property I and II; students' independent research studies on law and technology.

Funding work: Duquesne University, Presidential Scholarship Award (awarded); Duquesne University, The Center for Community-Engaged Teaching & Research, inaugural Racial Equity Grant (awarded); Robert Wood Johnson Foundation, Policies for Action: Research on Housing Policies That Promote Equity.

### **TECHNOLOGY LAW GROUP, Washington, D.C. & virtual.**

*Founder, 2003-2023*

*History* – In 2003, I founded state's only woman-led technology law firm. Since its inception, the firm employed a virtual technology-enabled model and used an agile practice approach, convening targeted teams and expertise to execute on client projects. Within less than three years of start-up, I built the state's largest intellectual property firm and only woman-owned such firm with \$1M in revenue with a team of nineteen. I began my independent scholarship on female entrepreneurship in 2008 and returned to Washington, D.C. in 2009 as visiting scholar and then fellow with The George Washington

University (GW) Law School. I operated the firm continuously since 2003 and virtually as a solo collaborative practice since 2009.

*Representative Technology Clients* – Cisco Systems, Inc.; Accenture; Hewlett-Packard Company; SimSpace Corporation; Albertson's Corporation; Washington Group International (now URS); Blue Cross; and universities and other innovators, *e.g.*, cybersecurity test bed and war games simulation platform company; cryptocurrency banking as a service platform company; digital futures consultancy; and film and other artists. My [LinkedIn profile](#) details my long-term corporate counsel engagements with **Cisco Systems** (2013-2018) and **HP** (2003-2008).

*Representative Intellectual Property Matters* – Formulated and operationalized patent and intellectual property strategy for companies and universities. Devised outbound patent licensing strategies in mobile phone and other consumer electronics sectors. Investigated chains of title and document intellectual property portfolio for clients. Advised executives, corporate boards, and engineering teams as to invention creation, patenting prioritization, defensive intellectual property development, chain of title, assignment, and international intellectual property monetization matters.

*Representative Technology Matters* – Extensive emerging information technology licensing and other transactions worldwide. Indemnity and defense tenders and common defense negotiations in patent infringement litigation. Global risk assessment for mobile application development and offerings in healthcare, connected cars (telematics, M2M), mobile payment, and other industries. Negotiated, drafted, monitored compliance, and enforced numerous technology transaction, litigation, and other agreements. Cybersecurity transactions on DARPA and other projects with U.S. Department of Defense and military branches, national laboratories, university research institutes, and industry. English and Spanish language transactions.

*Representative Litigation Matters* – First and second chair trial in federal and state matters. Lead investigations counsel on multilingual and cross-border patent, conspiracy, racketeering, and related matters; international investigations, contract enforcement, due diligence, and patent assertion litigation; Computer Fraud & Abuse Act litigation; corporate litigation; trademark and trade secret misappropriation litigation; patent defense litigation against non-practicing entities; defamation and misappropriation of digital assets in online games; software piracy matters, including in collaboration

eloza@hawaii.edu

---

with Federal Bureau of Investigation. Civil rights and family law litigation. *Pro bono* counsel in domestic violence and international child abduction prevention matters.

*Representative Intelligence Matters* – Chief investigations counsel for multijurisdictional patent and trade secret theft litigations in China, South Korea, the United States. Developed extensive multilingual international tech sector intelligence organization. Created processes and systems by which to execute pre-filing inquiries in accordance with Federal Rule of Civil Procedure 11 requirements. Synthesized strategic intelligence dossiers on multiple Chinese, Taiwanese, and other multinational tech organizations. Created command and control structure analyses reaching to 2000 companies per organization. Developed forensic and other complex analyses, including for auditing patent royalty reports and enforcing inbound patent licensing contracts. Due diligence analyses for merger & acquisition activities in intellectual property services industry. Mapped technology convergence trends involving mobile devices.

**GIESECKE & DEVRIENT, WASHINGTON, D.C. area, then-€8B private German firm**

*Information Technology Counsel, Mobile Security, Americas, 2012*

*Representative Projects* – Software development, confidentiality and secret material, outbound licensing involving secure operating system, secure elements, secure virtual containers, and secure over-the-air services for mobile devices, outbound and inbound software development kit licenses; requests for proposals; contract template development, standardization, and other legal infrastructure development; risk assessment and management; numerous Open Source and standards compliance projects. Worked constantly and collaboratively with sales executives. Extensive negotiations and international transactions, including on payment card, identity authentication, and M2M (machine-to-machine) matters.

*Representative Industry and Government Transactions* – OEMs (*e.g.*, Intel, Motorola Mobility, IBM, 3M, HP, Amazon); software and related companies (*e.g.*, Symantec, OnStar); MNOs (*e.g.*, AT&T Mobility, Verizon, T-Mobile); finance and credit companies (*e.g.*, JPM Chase, Capital One, American Express); central and commercial banks (Banco Central de Bolivia, Bank of Canada, Royal Bank of Scotland); taxing authorities (State of Michigan); personnel identification management (U.S. Department of Defense); mobile security, open source, integrated circuits, microprocessor chips (ARM Limited, Qualcomm, Symantec, Intel); standards (PCI, GlobalPlatform).

## EMILE LOZA DE SILES

eloza@hawaii.edu

---

### **U.S. DEPARTMENT OF COMMERCE, Washington, D.C.**

*Attorney-Advisor, Office of General Counsel, Office of the Secretary, 2010-2011*

*Technology Transactions* – With secret clearance, advised all eleven agencies under the auspices for the Department, including the National Institute of Standards and Technology and the International Trade Commission. Structured, negotiated, and drafting contracts for outbound software, patent, data rights, and technology licensing and other transactions between U.S. Department of Commerce, including its numerous constituent agencies, and U.S. Departments of Defense and Homeland Security, Office of Naval Research, and numerous other federal, state, and international government agencies and private entities. Advised on IP commercialization, patent issues, and software development audits, distribution restrictions, and Open Source compliance and licensing issues. Extensive negotiations with government and other parties.

*Government Transparency Compliance and Appeals & Fiscal Law Matters* – Ensured compliance with federal appropriations, including under continuing resolutions, agency-specific statutes and regulations, and Office of Management and Budget, General Accounting Office, and other executive branch requirements. Carried out privacy, record retention, and other compliance and adjudicatory matters. Adjudicated Freedom of Information Act appeals and drafted decisions and advisory memoranda. Worked with constituent agency offices of general counsel and ethics counsel on numerous matters, including as to text messaging implementations to comply with public records statutes.

### **HONORABLE SERGIO A. GUTIÉRREZ, IDAHO COURT OF APPEALS, Boise, ID**

*Judicial Law Clerk, 2002-2003*

Prepared bench and draft criminal and civil appellate opinions, many on issues of first impression. Extensive legislative history and multijurisdictional research. Participated in argument preparation, review, and judges' conferences.

### **HONORABLE SHEILA FOSTER ANTHONY, U.S. FEDERAL TRADE COMMISSION, Washington, DC**

*Law Clerk to Commissioner Sheila Foster Anthony, 1998-1999*  
*Federal Trade Investigator & Law Clerk, Division of Marketing Practices, 1999-2001*

## EMILE LOZA DE SILES

eloza@hawaii.edu

---

*Policy & Adjudication* – Drafted congressional testimony, commissioner briefs and opinions, and Commission decisions in consumer protection and antitrust matters. Assigned as Congressional liaison. Commended for work on [\*Self-Regulation and Privacy Online: A Report to Congress\*](#) (July 1999).

*Internet Fraud Litigation* – Extensive litigation work and investigations with Department of Justice, Department of Treasury, FBI, and multiple state attorneys general and foreign authorities. Commendations for Internet fraud litigation work.

### **Pre-Law Careers in Clinical Science, Technology Business, and Healthcare Administration and Education**

*Machine vision, robotics, healthcare informatics, optoelectronics & optics, genetics, clinical sciences, healthcare administration & finance, tertiary care teaching hospital, large physician group practice, university lecturer in healthcare finance, faculty director of healthcare graduate degree executive externships program, marketing director, vice president of business development.*

---

### **SELECTED SERVICE**

---

#### **Committee on Artificial Intelligence and the Courts, Supreme Court of the State of Hawai'i**

- *Inaugural Member by order of Chief Justice Recktenwald (SCMF-24-305, Order Issued Apr. 16, 2024).*
- *Member, Subcommittee on Research Regarding A.I. Capabilities, Limitations and Risks to the Judiciary.*
- *Member, Subcommittee on AI Ethical and Legal Issues as to AI Use and the Judiciary*

**Artificial Intelligence Advisory Council, Mid-Pacific Institute, 2024-present.**

#### **University of Hawai'i at Mānoa, Department of Information and Computer Science, Artificial Intelligence Research Traineeship Program for Graduate Science, Technology, Engineering, and Mathematics (STEM) Students**

- *U.S. National Science Foundation-funded: \$3M, 5-year program for Data in Engineering and Society: Converging Applications, Research, and Training Enhancements for Students.*
- *Affiliate Collaborator, 2024-present.*

## PRESENTATIONS

---

*Metrics: 110 presentations given and forthcoming, to date.*

### *Forthcoming*

- (1) **U.S. Defense Intelligence Agency, Technology Leadership Council**  
*September 25, 2024*  
*The Pentagon, Washington, D.C. & Virtual*  
*At the Invitation of the Office of the Chief Technology Officer*  
*Presentation: Artificial Intelligence Policy } The Developing Landscape*  
*and Considerations for Leadership*
- (2) **Thai-U.S. Judicial Dialogue on Intellectual Property Litigation, Thailand's Court of Appeal for Specialized Cases and United States Patent and Trademark Office**  
*July 26, 2024*  
*Bangkok, Thailand & Virtual*  
*Invited Panelist: Recent Legal Developments and Emerging IP Issues*
- (3) **Third Annual Michael A. Olivas Writing Institute, University of California, Davis School of Law**  
*June 21, 2024*  
*Davis, California*  
*Selected Paper: Artificial Intelligence Biases*
- (4) **Third Annual Michael A. Olivas Writing Institute, University of California, Davis School of Law**  
*June 21, 2024*  
*Davis, California*  
*Invited Keynote Co-Speaker with Professor Raquel Aldana: An Intersectional Accounting of Latinx Legal Academics: Data Curation Efforts Toward Community, Scholarship, and Educational Empowerment for Today's Diverse Students*

### *Presented*

- (5) **Law and Society Association Annual Meeting**  
*June 7, 2024*  
*Denver, Colorado*  
*Selected Paper: Slavery.AI: Theorizing Modern Slavery Through Ungoverned Artificial Intelligence*
- (6) **Law and Society Association Annual Meeting**  
*June 6, 2024*

## EMILE LOZA DE SILES
